PROFESSIONAL SUMMARY

Executive Assistant with 8 years of experience supporting partners and senior leaders at private equity and venture capital firms and managing busy San Francisco offices. Skilled in complex calendar management, board meetings, executive offsites, domestic and international travel, visitor hosting, and vendor management, supported by AI-assisted workflows. Known for sound judgment, discretion, and anticipating needs.

PROFESSIONAL EXPERIENCE

Executive Assistant | **Centana Growth Partners** Mar 2026 – Oct 2026

- Managed calendars for a general partner, a partner, and their deal teams, plus the company-wide calendar, using AI-assisted workflows (Claude, ChatGPT, Copilot) to flag Outlook conflicts three times weekly and keep recurring 1:1s on cadence
- Led end-to-end planning of the annual investor meeting, spring advisory board meeting, team dinners, and five offsites (three partner, two team-wide), owning logistics, budgets, vendors, and day-of coordination
- Coordinated annual board schedules with portfolio company CEOs and hosted the related board events
- Served as a primary point of contact for limited partners and advisory board members, hosted guest visits, and shared firm-wide coverage with the operations team and another executive assistant
- Coordinated multi-person domestic and international travel for conferences, board and deal meetings, and ran monthly reviews cross-checking calendars against logged expenses for accurate allocation and full reimbursement
- Used AI tools to produce itineraries, budgets, office manuals, and visitor guides, and built vendor price comparisons
