PROFESSIONAL SUMMARY

Executive Assistant with 8 years of experience supporting partners and senior investment leaders at private equity and venture capital firms in San Francisco. Skilled in complex calendar management, international travel, investor relations, and office operations, with a reputation for sound judgment, discretion, and anticipating executive needs. Leverages AI and workflow automation to streamline administrative processes, improve accuracy, and deliver more proactive, efficient executive support.

PROFESSIONAL EXPERIENCE

Executive Assistant | **Centana Growth Partners** Mar 2026 - Oct 2026

- Supported a founding partner, a partner and their deal teams, and managed the company-wide calendar. Served as a primary point of contact for portfolio company CEOs, limited partners and advisory board members
- Planned and organized the annual investor meeting, fall and spring advisory board meetings, three partner offsites, two company-wide offsites and team dinners each year, owning vendors, itineraries, budgets and day-of coordination
- Partnered with portfolio company CEOs who had no dedicated admin support, coordinating annual board schedules across all participants, hosting board events and managing their scheduling, travel and new investment meetings
- Designed AI-assisted calendar workflows (Claude, ChatGPT, Copilot) that scanned both partners' calendars three times weekly for conflicts and audited recurring internal and external meetings, including 1:1s with portfolio CEOs, resolving issues before they reached the partners
- Built a monthly AI-assisted workflow reconciling each partner's calendar against logged expenses, improving allocation accuracy and ensuring full reimbursement
- Coordinated multi-person travel for conferences, board meetings and deal meetings, and shared firm-wide coverage with the other executive assistant and operations team

Core strengths: *Event Planning, Calendar Management, Executive Administration, Meeting Planning, Stakeholder Engagement, AI Workflow Design*

Executive Assistant | Office Manager | **CVC Advisors** Sep 2021 - Mar 2026

- Delivered high-level support to 6 senior investment leaders in a fast-paced private equity environment, managing competing priorities and sensitive matters with discretion
- Owned high-volume, multi-time-zone calendars and hands-on domestic and international travel for the team and guests, including visa processing and last-minute itinerary changes
- Ran operations independently for a 10-person West Coast office across the Financial District and the Presidio, covering a relocation, vendors, IT, daily guest meetings, kitchen and lunch fulfillment and monthly invoicing
- Led multi-currency expense reporting, supported the transition to a new expense process and produced annual carbon emissions reporting
- Acted as a trusted partner to executives and their families, coordinating personal travel and household logistics

Core strengths: *Complex Calendaring, International Travel, Office Operations, Expense Reporting, Discretion and Confidentiality*

Executive Assistant | Office Manager | **Owl Ventures** Sep 2018 - Jan 2021

- Provided executive support to 3 employees through a $1B+ fundraise from LPs
- Onboarded two new employees remotely on internal tools and role expectations
- Managed Diversity & Inclusion reports across portfolio CEOs, including data aggregation and analytics
- Co-led the LP-facing Education & Outcomes Report outlining the impact of portfolio companies
- Led company-wide expense reporting and employee expense reimbursements

Core strengths: *Investor Relations, Data Analysis, Report Writing, Employee Onboarding, Diversity & Inclusion*

Executive Assistant | **ClinCapture** Jan 2018 - Sep 2018

- Managed the CEO's inbox and oversaw customer support tickets alongside the CTO
- Coordinated conference and event logistics; supported hiring and sourcing across all departments

Core strengths: *Inbox Management, Customer Support, Recruiting, Conference Logistics*

Lead Flight Attendant | **Virgin America** Jul 2017 - Jan 2018
